ZHEJIANG YONGAN RONGTONG HOLDINGS CO., LTD.

(a joint stock limited company incorporated in the People's Republic of China)

(Stock Code: 8211)

INTERIM RESULTS ANNOUNCEMENT FOR THE SIX MONTHS ENDED 30 JUNE 2019

CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "STOCK EXCHANGE")

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the main board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this document, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this document.

This document, for which the directors of 浙江永安融通控股股份有限公司 (Zhejiang Yongan Rongtong Holdings Co., Ltd.) (the "Company") collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the GEM of The Stock Exchange (the "GEM Listing Rules") for the purpose of giving information with regard to the Company. The directors of the Company, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this document is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this document misleading.*

Notes:

(a) Other reserve represents the dividends waived by the holders of domestic shares, net of tax effect and the deemed contribution arising from the discounting of the non-current interest-free loan from ultimate holding company and immediate holding company of the Company.

(b) As stipulated by the regulations in the People's Republic of China (the "PRC"), the Company is required to appropriate 10% of its after-tax profit (after offsetting prior years losses) to statutory surplue reserve fund until the balance of the fund reaches 50% of its registered capital and thereafter any further appropriation is optional. The statutory surplue reserve fund can be utilised to offset prior year losses, or for conversion into registered capital on the condition that the statutory surplus reserve fund shall be maintained at a minimum of 25% of the registered capital after such utilisation.

(c) Profit appropriation is subject to the approval of the board of directors. In accordance with the Articles of Association of the Company, the reserve available for distribution is the lower of the amount determined under the generally accepted accounting principles in the PRC and the amount determined under Hong Kong Financial Reporting Standards, At 30 June 2019 and 2018, no reserves were available for distribution due to accumulated losses being noted.

14. AMOUNT DUE TO IMMEDIATE HOLDING COMPANY

Analysed for reporting purposes as:

	30 June 2019 *RMB'000*	31 December 2018 *RMB'000*
Non-current liability	**35,508**	32,543

On 23 December 2016, Zhejiang Yongli entered into an agreement of assignment of debt with Guizhou Yongan ("Assignment of Debt Agreement"), pursuant to which, the debt of approximately RMB239,677,000 owed by the Company to Zhejiang Yongli was assigned to Guizhou Yongan and Guizhou Yongan committed to continue the obligations and commitments under the original debt agreement that was entered into between the Company and Zhejiang Yongli on 13 September 2011.

Referring to the principal advances of approximately RMB239,677,000 in relation to the Assignment of Debt Agreement entered into on 23 December 2016 between Zhejiang Yongli and Guizhou Yongan, it had been initially reduced to its present value of approximately RMB20,724,000 based on the managements' estimates of future cash payments with a corresponding adjustment of approximately RMB218,953,000 which was deemed as a contribution from the immediate holding company during the year ended 31 December 2016. The effective interest rate adopted for measurement at fair value at initial recognition of the advances from immediate holding company for the year was determined with reference to the prevailing market rates of interest for similar instruments with similar credit ratings and with reference to the timing and repayment based on the cash flow of the Company in the year ended 31 December 2016.

Imputed interest on these advances had been computed at an original effective interest rate of 18.22% (31 December 2018: 18.22%). The amount is unsecured, interest-free and repayable of an amount which does not exceed 50% of operating cash flow of the year on an annual basis until the full repayment of the debt.

During the year ended 31 December 2018, the Group partially repaid the principal of the interest-free loans of RMB6,426,000. The principal amount outstanding as at 31 December 2018 was RMB229,475,000.

The movement during the current and prior reporting periods are set out as follows:

	30 June 2019 *RMB'000*	31 December 2018 *RMB'000*
At the beginning of the period	**32,543**	32,963
Imputed interest charges during the period *(note 5)*	**2,965**	6,006

MANAGEMENT DISCUSSION AND ANALYSIS

Financial review

For the six months ended 30 June 2019, the Group recorded a revenue of approximately RMB68.13 million, represents a decrease of approximately 1.74% when compared with the same period in 2018. It was mainly due to decrease of revenue of subcontracting services. Gross profit dropped by approximately RMB2.85 million or 3.96% mainly due to increase of cost of sales such as raw material cost, wages etc., although there was slightly upward of average selling price during the six months ended 30 June 2019 when compared with the same period in 2018.

The selling and distribution costs decreased by approximately RMB698,000 or 42.35% for the six months ended 30 June 2019 when compared with the correspondence period in 2018 mainly due to decrease of sales commission.

Administrative expenses increased significantly by approximately RMB3.2 million or 51.12% during the six months ended 30 June 2019 when compared with the same period in 2018. It was mainly due to (i) research and development expense increased as additional qualify staff were engaged under the research and development department for further enhancement of new product development; (ii) impairment loss on accounts receivable; (iii) professional fees for preparing the connected and major transactions, details were disclosed in the circular of the Company dated 24 April 2019 and (iv) provision of property tax.

Other income increased by approximately RMB978,000 or 169.5% mainly due to refund of retirement scheme contributions paid in previous years, investment income and compensation income received during the six months ended 30 June 2019 when compared with the same period in 2018.

Finance cost of approximately RMB2.97 million for the six months ended 30 June 2019 represents imputed interest in interest-free loan due to immediate holding company.

The respective loss per share for the six months ended 30 June 2019 and 2018 were approximately RMB0.58 cents and RMB0.19 cents respectively.

Business and operation review

During the six months ended 30 June 2019, there was slight growth of domestic sales by approximately 2.82% and stable export sales. The average selling price increased slightly by approximately 3.33% mainly due to potential customers willing to pay better price for higher quality of woven fabrics from the Group. In 2019, the Group expect that the fellow textile manufacturers have to continue to face the pressures of rising of raw material prices and wages in the PRC. The fluctuation of oil price will also affect the cost of raw materials of the textile industry. In additions, the Directors expect that the increasing trade tension between China and the U.S., may cause impact to the worldwide economies. The Group has to balance the existing policies in developing both domestic and overseas market so as to minimise the market risk of the Group.

In view of the current changes in the economy and the securities market in the PRC, private equity funds in the PRC tend to be more cautious and exercise higher level of diligence in identifying investment projects. During the six months ended 30 June 2019, 貴州安恒永晟投資管理有限公司(Guizhou Anheng Yongcheng Investment Management Co., Ltd.*) ("Guizhou Anheng"), a wholly owned subsidiary of the Company that is principally engaged in assets management in the PRC did not enter into any new asset management services and investment advisory services contracts.

Up until now, 深圳南山金融科技雙創股權投資基金合夥企業(有限合夥) (Shenzhen Nanshan Fintech Entrepreneurship and Innovation Equity Investment Fund Partnership Enterprise (Limited Liability Partnership)*) ("Nanshan Fintech" or the "Fund") has yet to identify any suitable investment opportunities due to the current economy condition and securities market in the PRC.

In order to diversify the business risk and enhance the return of capital investment of the shareholders of the Company, on 18 March 2019, the wholly owned subsidiary of the Company, 深圳永安慧聚水務科技有限公司(Shenzhen Yongan Huiju Water Technology Co., Ltd.*) ("Shenzhen Yongan Huiju"), entered into the sales and purchase agreement with a connected party ("Vendor") for purchasing of 41.67% of total issued share capital of 北京太比雅科技股份有限公司 (Beijing Taibiya Technology Co., Ltd.*) (the "Target Company") (the "Acquisition"), details of which were disclosed in the announcement dated 18 March 2019 and circular date 24 April 2019 of the Company. The Directors consider that the Acquisition is in line with the Group's business diversification strategy and represents an attractive investment opportunity of the Group to tap into the water management-related business in the PRC with growth potential and to generate diversified income and additional cash flow through the Acquisition. The Directors believe that the growth of water management, planning, operation and maintenance-related business is promising. As such, the Company is exploring business opportunities in development of technology applications around water management, planning, operation and maintenance-related business, including by way of acquisitions. In light of the business prospects and the experienced management team of the Target Group, the Company is confident that the Acquisition will allow the Group to capture the opportunities arising from the potential growth in water management, planning, operation and maintenance-related business. As at the date of this document, the Group has not completed the whole process of acquisition of the Target Company.

Product research and development

During the six months ended 30 June 2019, the Group continued to innovate and develop new product so as to meet the customers' need and enhance sales orders from customers.

Sales and marketing

During the six months ended 30 June 2019, the Group actively participated in various trade fairs held in PRC and overseas so as to gain exposure in the fabrics market and to popularise the Group's new products.

OUTLOOK

In order to enhance competitiveness and market share of the textile sector, the Group (i) has installed some new and advanced production machines since April 2019 so as to eliminate backward production capacity; (ii) has employed some qualify staff in order to strengthen the research and development of Group for improving the product quality and output; and (iii) will further develop the domestic and overseas market.

As discussed under the section of business and operation review above, as at the date of this document, the Group has not completed the whole process of acquisition of the Target Company. The Directors expect to complete the Acquisition before the third quarter of 2019. In view of the business prospects of the Target Group and the experienced management team, the Directors believe that the Acquisition will enable the Group to capture the opportunities arising from the potential growth of related businesses such as water management, planning and operation and maintenance.

Guizhou Anheng will continue to engage in the assets management and investment advisory services. At present, the Guizhou Anheng team is also actively exploring investment opportunities to enhance the Group's long-term growth. Guizhou Anheng will serve as a platform for the Group to develop its asset management business and the Group will make full use of the new policies of relevant government departments to seize opportunities and gradually expand the business of Guizhou Anheng, including equity funds, securities investment funds and industrial funds. Under the leadership of the management team. The Board believes that the Group will be able to meet the upcoming challenges in 2019 and will therefore pay off for its shareholders.

LIQUIDITY, FINANCIAL RESOURCES AND CAPITAL STRUCTURE

During six months ended 30 June 2019, the Group financed its operations mainly by internally generated cash and financial support from Guizhou Yongan, the immediate holding company of the Company.

As at 30 June 2019, the Group's current assets and net current assets were approximately RMB182.44 million (31 December 2018: approximately RMB216.57 million) and approximately RMB147.13 million (31 December 2018: approximately RMB187.10 million) respectively.
